# THE ROOM-BY-ROOM RESET

*Set a timer for forty minutes, carry one basket, and make a single loop. Reset to baseline — do not stop to perfect.*

**BEFORE YOU START**

Set a timer · carry a basket for anything out of place · move through the home in one direction, no doubling back · clear surfaces, don't scrub · when the timer stops, you are done.

## Entry & Landing Zone

- [ ] Keys returned to their hook
- [ ] Mail into the tray
- [ ] Shoes & bags to their spot
